

Stay Cool With These Ethical Summer Essentials

Summer's officially here and it's time to tame those rays. Whether you're embracing the blaze on a summer hike, beating the heat by the pool or enjoying that good old fun in the sun somewhere else, Labor 411 has a list of essentials for all your summer adventures. And when you choose one or more items from the list below, you will be supporting ethical companies that treat their employees well and give them good pay and benefits.
